

Wealth Management Investment Advisers Required.

Richmond Asset Management has been a Hong Kong regulated, boutique, Investment Management Company for nearly 20 years. With a strong track record, their distinctive *Optimisation Services* focus on absolute returns in all market cycles and significantly out performed the MSCI since 2002.

As part of an exciting expansion plan, they are seeking **Experienced Licensed Wealth Management Investment Advisers**. The successful candidates will have a strong track record plus the drive, enthusiasm and ambition to reap the rewards of success.

Those who meet Assets Under Management targets will be paid industry leading incentives.

Account Managers who can bring existing AUM may be offered one of the top buy out packages.

Richmond's knowledge base, portfolio methodology will allow you to optimise your client portfolios with a unique and proven management proposition. Happier clients make more investments.

Their marketing, seminars and referral programs produce flow of leads.

You would be based in their Hong Kong office with the opportunity to work around Asia and from our Phuket offices.
